

# The Glow - Reverence

**Directions:** Divide your class into two groups. Group one will start in an open space on the floor. Group two will sit and wait their turn. Place groups of pom poms on the floor in a column (so dancers can leap over one grouping, than the next and so forth). This is what will be known as "Crocodile Creek." The first group will do Parts A-C, than sit and wait for the 2nd group to do Part A-C. Once this is finished, all the dancers will wait for the teacher to pick the pom poms, and will then take their places facing the mirrors. The final part of the reverence is done as one group.
