RECITAL CHOREOGRAPHY

- Review Old Dances
- Teach at least one eight count of a new dance every class!
- Goal: To have 2 dances ready for recitals at all times! Once a dance is learned, the teacher should NEVER drop that routine until there is a new dance to replace it. This way there will always be two dances ready at all times.

FREE DANCE

- Song/Artist: “Fly to Your Heart”/Selena Gomez
- Prop: Ribbon Sticks/Rings/Scarves
- Instructions: To begin, have the dancers sit against the mirror. One by one, touch them on the head. They should then go out and “free” dance with their ribbon sticks/rings/scarves, etc. Once everyone has gone, invite the whole group to find a place in the room and “free” dance together (making sure not to hit each other). When you feel the group “free” dance time has been sufficient, have the group come to the center and strike a pose as a group.

CLASS CLOSING/REVERENCE:
